Note No:

File No. AFD 34 AFT 58 is not available in the General Records Section. However, a copy of the relevant Notification dt. 19-6-58 issued by this Govt. to bring the Sy. No. in question under the control of the Forest Deptt. may be seen at pages 10 to 11 in this file.

The C.F. has reported that the owners of the said Sy. No. now intend to bring the area under cultivation. It is stated that the area is best suited for cultivation and it is not adjoining forest area on any side. Further, the area is reported to be flat and the

question of soil erosion does not arise if the tree growth is allowed to be removed by the owners for cultivation purposes. As regards sandalwood trees, the C.C.F. has stated that the same will be governed as per Rules in force i.e. Section 83 (2) of the Mysore Forest Act, 96 and chapter XIII of the Forest Rules, 1969, vide please A on page 17.

There is provision that if the owner of the forest land desires to bring it under cultivation, the Forest Deptt. need not ordinarily object unless cultivation would lead to serious soil erosion, vide please B on page 14

AFD 44 FAF 69

The C.C.F. has requested that the earlier Notification may be rescinded.

A draft Notification is at page 22. The words 'by the Govt. of Mysore' at 'A' therein have been cancelled by the Section. This is the first time a Notification is being issued under sec. 39 of the Mysore Forest Act, 1963, to rescind a Notification issued by the Govt. of Mysore. It does not seem necessary to refer the file to L.D. for scrutiny. The Notification may be issued after approval. Such Notifications need not be referred to R.D.

Sub:-Control over private Forests - Request of Shriyuts C.G.Bellad, and P.C.Bellad of Akki-Alur for withdrawal of Section 35 (1) of the Indian Forest Act applied to Sy.No.40 of Gadiyankanhalli Village, Taluk Hangal, District Dharwar.

- - - -

I enclose herewith a copy of letter No.FOP-FST-DWR-993 (128)/68-69 Dated 20-1-1969 with its accompaniments received from the Conservator of Forests, Belgaum Circle, Belgaum, agreeing with the views of the Divisional Forest Officer, Dharwar to rescind the Notification issued by the Government under Section 35 (1) of the Indian Forest Act in respect of Sy.No.40 of Gadiyankanhalli Village, Taluk Hangal, District Dharwar.

The above Sy.No.40 was brought under the purview of Section 35 (1) of the Indian Forest Act by Government Notification No.AFD-34-AFT-58 of 19-6-1958 (Copy enclosed). The owners of this said Sy.No. now intend to bring the land under cultivation. Their application is enclosed herewith. The Divisional Forest Officer, Dharwar reports that the area contains a few Sandalwood trees with ~~xxxx~~ coppice growth of jungle species which are subjected to heavy illicit cuttings by the local Lamanies, with the result it has become very difficult to protect the tree-growth contained in the said Sy.No. He further reports that the area is best suited for cultivation and is not adjoining the forest area on any side. The area is reported to be flat and the question of soil erosion does not arise if the tree-growth is allowed to be removed by the owners for cultivation purpose.

B In the Bombay Government's letter No.PRF-1353-7910-J Dated 5-3-1955 (Copy already furnished to Government) it is laid down that if the owners of the forest land desires to bring it under cultivation after issue of Notification regarding its use, the Forest Department need not ordinarily object unless cultivation would lead to serious soil erosion.

Government may therefore, kindly be moved to rescind the Notification No.AFD-34-AFT-58 Dated 19-6-58 issued by Government under Section 35 (1) of the Indian Forest Act in respect of Sy.No.40 of Gadiyankanhalli Village in Hangal Taluk of Dharwar District.

Yours faithfully,

CHIEF CONSERVATOR OF FORESTS

N.

~~S.No. 1 AFT 21~~ 13

Subject: Request of Shriyuts C.G.Bellad and P.C.Bellad of Akki-Alur for withdrawal of S.35(1) of I.F.A. applied to S.No. 40 of Gadiyankanhalli, Taluka Hangal.

No.FOP/FST/DWR-993(128)/68-69.
Belgaum 20-1-1969.

To

The Chief Conservator of Forests
in Mysore, Bangalore.

Sir,

I submit herewith D.F.O., Dharwar's No.FOP/GFL/FST/III/68-69 dated 14-10-1968, 12-12-1968 and copy of his even No. dated 18-12-1968 together with their accompaniments and state as under:-

(1) Shriyuts C.G.Bellad and P.C.Bellad of Akki-Alur have in their applications dated 8-7-1968 and 29-11-1968 requested to withdraw S.No.35(1) of I.F.A. applied to their malki S.No.40 of Gadiyankanhalli, Hangal Taluka admeasuring 29 acres - 18 gunthas for bringing the S.No. under cultivation on the ground that the surrounding lands are under cultivation and S.35 applied to malki S.Nos.38 and 39 adjoining the said S.No. has also been withdrawn by Government.

(2) The Divisional Forest Officer states that the applicants in their first application had wrongly mentioned S.No.37 also for withdrawal from the purview of S.No.35(1), but S.No.37 has not been brought under S. No.35(1). He adds that the area of S.No.40 is flat and fit for cultivation and soil is fertile. He further states that the area contains 41 trees per acre of mostly coppice growth and a few Sandalwood trees but they are subject to heavy illicit cutting by the local Lamanies. He states that there will not be soil erosion if the area is brought under cultivation and there is no objection to cancel the original Notification No. AFD 34 AFT 58 dated 19-6-1958 as per which the said S.No. was brought under S.35(1).

He states that only S.No.40 has been brought under S.No.35(1).

(3) In view of the above I agree with the views of the Divisional Forest Officer and request that orders of the Government rescinding the above notification may be obtained and communicated to this office.

Yours faithfully,

(Y.M.L.Sharma.)
Conservator of Forests, B.C.

MM/-

Subject:- Cancellation of Section 35(1)of I.F.A. 9127 applied to Sy.No.40 of Gadiyankanhalli

No.FOP/GFL/FST/III/1968-69
Dharwar: 14-10-1968.

To

The Conservator of Forests,
Belgaum Circle, Belgaum.

Sir,

In submitting herewith the application of Shri C. G.Bellad and F.C.Bellad of Akkialur requesting for cancellation of section 35(1) applied to Sy.No. 37 of Gadiyankanhalli, I wish to report as under.-

2/- The applicants are the right holder of Sy.Nos. 40 and 37 of Gadiyankanhalli. The Sy.No. 40 of Gadiyankanhalli was notified under Section 35(1) of I.F.A.under notification No.AFD-34 AFT 58 of 19-6-1958. But the Sy.No.37 of Gadiyankanhalli is not finally notified under Section 35(1) of I.F.A. as such question of cancellation of section 35(1) does not arise in respect of Sy.No.37. The applicants state that they are in urgent need of cultivating the lands for growing food grains. The applicants further state that the adjoining Sy.Nos. are under cultivation. Recently notification No.PRF 2355/68942-J of 20-7-1955 issued under Section 36(1) of the I.F.A. in respect of Sy.Nos. 38 and 39 has been cancelled by the Govt. As such they are requesting for cancellation of Section 35(1) in respect of Sy.No.40 also.

3/- The Range Forest Officer after necessary enquiry reports that the area contains a few sandalwood trees with coppice growth of junglewood. Heavy illicit cuttings are done by the local Lamanies who are selling head loads of firewood. It is also difficult to protect sandalwood trees. Hence it is not possible to prohibit the lamanies from illicit cuttings in such lands. He further reports that the soil is fertile and best suited for cultivation. The Sy.Nos. is not adjoining the forest area on any side. The village Gadiyankanahalli is also a non-forest village. The Sy.No. admeasures 29 acres and 18 gunthas. Hence it is not necessary to retain the Sy.No. under Section 35(1).

4/- As per Govt. letter No.PRF/1353/7910-J dated 5-3-1955, if the owner of Forest land desires to bring it under cultivation after issue of notification regarding its case, the Forest Department need not ordinarily object unless cultivation would lead to serious soil erosion. But in this case, the area of the Sy.No. is flat and the question of soil erosion does not arise. Under the circumstances explained above, the request of the applicant may please be considered favourably and Govt. may kindly be moved to cancell the notification No.AFD-34 AFT 58 dated 19-6-58 issued by the Govt. The copy of the notification and the sketch are enclosed herewith for favour of perusal and further action.

Yours faithfully,

(B.K.C.Rapan)
Divisional Forest Officer,
Dharwar Division, Dharwar.

11

NOTIFICATION.

No.AFD 34 AFT 58, dated Bangalore, 19th June 1958.

WHEREAS a notice has been issued to (1) Shri Chinnappa Gurupadappa Bellad and (2) Shri Chandrashekharappa Gurupadappa Bellad of Akki-alur, the owners of the forest specified in the schedule hereto annexed, to show cause why a notification under sub-section (1) of Section 35 of the Indian Forest Act, 1927, should not be made prohibiting or regulating the acts specified in the draft notification attached to the said notice;

AND WHEREAS no objection has been received from Shri Chinnappa Gurupadappa Bellad or his wahiwatdar;

AND WHEREAS Shri Chandrashekharappa Gurupadappa Bellad has no objection to the issue of the notification;

AND WHEREAS it appears to the Government of Mysore that it is necessary-

(a) for the preservation and improvement of soil or the reclamation of saline or water-logged land, the prevention of land-ships or of the formation of ravines and torrents or the protection of the land against erosion or the deposit thereon of sand, stones or gravel;

(b) for the conservation of trees and forests;

(c) for the maintenance, increase and distribution of the supply leaf manure, timber or fuel;

(d) for the improvement of grazing;

(e) for the preservation of public health;

(A) To prohibit in the forests specified in the Schedule appended hereto the following acts:-

(a) Breaking up or clearing of the land for cultivation;

(b) Setting of fire to the area for the purpose of clearing the ground for Shikar or for promoting better growth of grass. If any fire occurs by accident all possible measures s to extinguish it shall be taken by the owners promptly.

(c) Burning of any tree in the land even if it is dead for the purpose of hunting or collection of honey.

(d)Lopping of trees of the following species for the purpose of tabal:-

Teak, Mango, Sissum, Moha, Hirda, Khair, Bibala i.e. Honni, Shivan, Chandan, Apta and Tamburni.

(B) To regulate in the forests specified in the Schedule appended hereto the following acts:-

(a) Marking of trees in flat areas and moderate slopes shall shall be done on sylvicultural principles approved by the Divisional Forest Officer, Dharwar.

(b) The pasturing of cattle:-

(i) Not more than 2 heads of horned cattle per acre shall be allowed to be grazed in the area.

(ii) Sheep shall be allowed to graze in specific

Sl. No. 1 - P-82

24

area approved by the Divisional Forest Officer, Dharwar but limited to the carrying capacity and goats at the rate of not more that 2 per hundred sheep as prescribed in Article 122(v) of the Bombay Forest Mannual, Volume III.

(c) Girdling of trees shall not be permitted unless the removal of tree is sylviculturally desirable.

(d) Stipping off leaves of fodder trees shall be permitted by rotation and in the manner prescribed by the Divisional Forest Officer, Dharwar.

(e) Lopping of trees of the species other than those mentioned under(A) (d) shall be permitted in the manner prescribed by the Divisional Forest Officer.

(f) Stripping off bark of trees shall not be allowed unless otherwise specifically permitted by the District Forest Officer, Dharwar.

(g) Clearing of under growth shall not be allowed except under the privileges sanctioned by Government for the neighbouring Government forests.

(h) Pollarding of economic species such as Apta, Temburni and other species useful as lac hosts shall be allowed by rotation during the period and in the manner prescribed by the D.F.O., Dharwar.

(i) Cutting of trees shall be regulated according to girth limits prescribed by the Divisional Forest Officer, Dharwar with due consideration to sylvicultural requirements of the crop. Rules in this connection are enclosed herewith. Tree to be felled or retained, whichever are less in number shall be marked according to the prescriptions laid down by the D.F.O., Dharwar.

(j) Quarrying shall be done only in the places approved by the Divisional Forest Officer, Dharwar. Quarrying shall not be permitted if lime and charcoal shall be done preferably on flat areas taking care to see that the fire does not spread and destroy the vegetation.

Now therefore, in exercise of the powers conferred by Sub-section (1) of Section 35 of the Indian Forest Act, 1927 (Central Act No. XVI of 1927), as in force in Bombay area, the Government of Mysore hereby prohibits the said acts in the said forest and regulates the said acts in the manner aforesaid.

Sl. No. 1 - C 237

25 9

Rules for Felling in Private Forests.

1. All mature, dead and dying trees shall be removed irrespective of species and girth. (Dying tree means the tree of which half the crown is dead).

2. At least 20 timber trees of the following important species between 18" and 36" in girth at breast height shall be reserved per acre well distributed in the area of exploitation.

Teak, Vissum, Karimuttal, Nandi, Honne, Heddi, Kindal, Kalum, Chinish, etc.

The trees to be reserved under this rule shall be sound ones. In case the trees of the species mentioned above of the minimum prescribed girth are not available equal number of trees of the maximum available girth shall be retained well distributed in the area of exploitation.

3. Soft wood species, viz., Sawar, Ambada, etc., below 36" girth at breast height shall be retained.

4. Fruit trees and trees yielding important economic forest products such as Amba (mango), Phanas(Jack) Kaju, Amla, Karang, etc., shall not be cut. Over-mature trees of these species may be felled after they are certified by the Range Forest Officer.

5. All Sandal wood trees below 12" girth at breast height (except dead and dying) shall be retained.

6. No trees of any species below and up to 12" girth at breast height shall be allowed to be cut except those mentioned ~~on rule Nos.~~ 2,3,4 and 5 below 12" girth at breast height shoul be felled only if they are interfering with trees of the above mentioned timber and other species to be felled. Under no circumstances should large gaps to be created in the canopy.

[ ] rule 1 above. Trees of species of certain girths mentioned in rule no

7. No. area should be clearfelled on the tops of steep hill where heavy erosion is feared. Such area shall be delineated by giving tar bands at breast height to the boundary trees which shall be approved by the Range Forest Officer.

8. Trees to be reserved under rule 2,3 and 4 should be marked with tar bands.

9. All live and sound trees to be felled shall be cut flush with the ground and the stools should be cut within 3" of ground level.

10. Reserved trees when infested with climbers shall be freed.

11. All dragging paths shall be refilled.

12. Before felling is started the area shall be inspected by the Range Forest Officer. He will also inspect the area after the felling is completed and furnish a certificate of the satisfactory completion of the work to the Divisional Forest Officer, Dharwar.

13. Thinning and cleaning in copice growth shall be carried out as under:-

If the number of stems(or shoots) is more than 3 in case of stools of and over 24" girth at ground level/ the number of stems in excess of the abovenumber shall be cut back. The

[ ] and more than 2 in case of stools below 24" girth at ground level

.....

8 SL.No.21-C-54

most promising stems shall be retained and bad ones shall be ~~xxxxxxx~~ removed.

14. The periodicity of felling will be limited to 20 years cycle and hence the area once worked will not be allowed to be worked till 20 years have elapsed from the year of previous working.

Sub:- Request of Sriyuts. C.G.Bellad, and P.C.Bellad, of Akki.Alur for withdrawing of S.35(1) of I.F.A. applied in Sy.No.40 and 37 of Gadiyankanalli...

....000....

No.FOP/FST/III/1968.69 Dharwar: 12-12-1968

To

The Conservator of Forests,
Belgaum Circle, Belgaum.

Sir,

Ref:- Your No.FOP/FST/DWR/933/128 of 68-69 dated 7-11-1968.

With reference to your above quoted No., I wish to report as under:-

2/- On perusal of the records it is seen that there is no move to notify the Sy.No.37 of Gadiyankanalli under section 35(3). On enquiry with the Range Forest Officer, it is learnt that the owners had applied for cancellation of section 35(1) ~~xx~~ applied to Sy.No.40 and 37 of Gadiyankanalli ignorantly. However they have now applied for cancellation of section 35(1) in respect of Sy.No.40 only of Gadiyankanhalli.

3/- The Nos of trees ~~xx~~ per acre is as approxi-mately as under:-

Sy.No.	Trees per acre.
40 of Gadiyanka-nalli.	41
37 -do-	20

4/- The Notification 35(1) applied to the adjecent Sy.No.38 and 39 of Gadiyankanalli have been cancelled under Govt. No. AFD-44-FAF-68 dated 5-6-1968. The owner of these Sy.No. is Shri.N.N.Kandapur of Hangal.

Yours faithfully,

B.K.C.Rajan

(B.K.C.RAJAN)
Divisional Forest Officer,

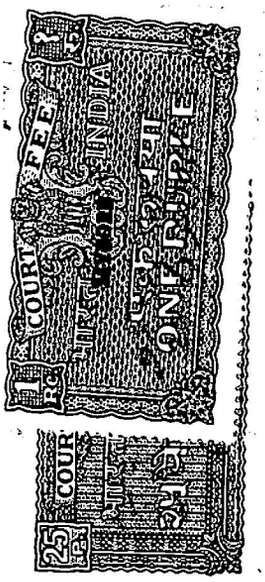
2) Chandrashekharappa Gurupadappa Bellad } Tal.Hangal
3) Prabhappa Chinnappa Bellad. } Dist.Dharwar

To

The Chief Conservator of Forests,
Mysore State, Bangalore.



Respected Sir,

We own S.No .37 of acres 7-13 with assessment Rs.1-50 in the name of S.Nos 1 & 2 and S.No.40 of acres of 29-8 with assessment of Rs.6-00 in the name of S.Nos.1 and 2 in Gadiyankanahalli of Hangal Taluka in Dharwar District These two lands have been notified as have been applied Section 35 of the Indian Forest Act 1927 by misrepresentation as these lands are fit for cultivation.

We are in urgent need of cultivating these lands for growing food grains. The lands surrounding our lands are now being cultivated for growing food grains. To the East of our lands there are 2 lands belonging to Krishnappa Naik and others, and these lands have not been applied 35 Section of the Forest Act. To the West there are S.Nos. 38 & 39 which have been resumed the notification No.FIF 2355 68942-J dated 20th July 1955 as per No.AFD 44 FAF.68 dated 5th June 1968 published in the Govt. Gazet Dated 20-6-68 and much portion of these lands are under cultivation. To the North the land has been brought under cultivation.

Taking into consideration all the facts above mentioned it is our earnest prayer to resume the notification regarding application of section 35 of the the Forest Act as early as possible, so as to enable me to remove the shrubs and to
